Schools without basic facilities

1990. SHRI A. VIJAYARAGHAVAN: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) whether there are many schools in the country in a deplorable state without basic facilities like school building and with thatched roof etc.;

(b) if so, the details of the schools not having building, thatched roof, playground and trained teachers for the last three years, year-wise, and category-wise and State-wise;

(c) the action taken to enforce safety measures in the schools in the light of the tragedy in Kumbakonam, Tamil Nadu in July, 2004; and

(d) whether there is any plan to ban thatched roof schools?

THE MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRI MD. ALI ASHRAF FATMI): (a) and (b) State and category-wise details of schools without building as per the 6th and 7th All India Educational Survey conducted by NCERT

are given in the Statement-I (*See* below). The position of schools without playground facilities as per the 6th All India Educational Survey-1993-94 is given in Statement-II (*See* below). The percentage of trained teachers to total teachers, State and category-wise during 1999-2000 to 2001-02 are given Statement-III (*See* below). The information on basic facilities like school building and playground etc. is not collected on an annual basis. Data on number of thatched roof school buildings is not being collected separately though data on *pucca*, partly *pucca*, and *kachcha* school buildings are collected.

(c) In the light of the tragedy in Kumbakonam, Tamil Nadu in July, 2004, the Hon'ble Minister of Human Resource Development has written to all the State Chief Ministers including the UTs of Delhi and Pondicherry to ensure the following in all schools.

(i) All teachers need to be sensitized to their responsibility for the safety and well-being of their students during schools hours, and curricular/co-curricular activities. They also need to be equipped with adequate knowledge and wherewithal to protect their students in the events of emergency;

(ii) All schools should be free from inflammable and toxic materials If storage of some inflammable materials (*e.g.* Fuel for cooking mid day meal) is inevitable, they should be stored safely;

(iii) All schools should have adequate emergency exits.

(iv) There should be adequate supply of water and sand for fire fighting purposes; and

(v) All schools should have adequate supply of potable drinking water with appropriate chlorination whenever necesasry.

(d) The regulation of schools including whether to ban thatched roof schools is primarily in the domain of the State Governments.
